

Description

Blue Gyroled

ADVANTAGES :

- Save power : consumption divided by 5,
- Can be used with the engine off,
- No more maintenance ! No belt, no motor, no expensive flashing light to be replaced,
- Less wear on the electrical parts of the vehicle : battery, alternator, etc.
- Solid : polycarbonate dome and parabola,
- The Gyroled has a similar useful life to that of the vehicle,
- Rotating or flashing versions approved R65,
- No electromagnetic interference (EMC),
- Quiet : no noise during operation
- Light power : 90 to 200 candelas, 360°,
- Light-emitting diode (LED) technology.

Technical characteristics

- Blue LED, rotating or flash (double-flash) lights,
- Polycarbonate lens ; available colours : blue, crystal, amber, red and green,
- Input voltage : 10 to 30V DC,
- Consumption at 12V : 900 mA,
- Consumption at 24V : 450 mA,
- Height : 67mm – Diameter : 105 mm,
- User comfort : noise level = 0db,
- Waterproof product,
- Vibration resistance.

Homologations

PHOTOMETRIC CHARACTERISTICS : R65 Approval

Blue in rotating mode **EUR TB1 E2 00 08064**

Blue in flash mode **EUR TB1 E2 00 08088**

90 candelas: value guaranteed on 360° on the 0° horizontal place.

200 candelas: value on the 0° horizontal plane.

PROTECTION :

Waterproof : IP67 according to NF EN 60529 – Shock-proof: IK08 according to NF EN 50102

EMC : N° e2 03 08036,

DIRECTIVE 2006/28 n°e2*72/245*2006/28*08036 - Complies to

CISPR25 (2002) class 3 (rotating mode)

ELECTRICAL: ISO 7637-2(2004), PSA B21 7110 (2001) & Renault 36-00-808/___E (2001) specifications

Options

Light only

Light with magnetic base

Pipe-mount

Light with ISO base

Mountings	Blue		Blue with white lens	
	Rotating	Flash	Rotating	Flash
Light only	21906	21908	20911	21907
ISO 3 point	21930	21932	21931	21933
Pipe-mount	21934	21936	21395	21937
Magnetic with cigar lighter plug	21938	21940	21939	21941
Magnetic Jack plug	22275	X	X	X
Suction mount with cigar light plug	24485	24486	CU	CU
Battery operated	23398	23399	X	X
Motorbike mast	23136	23491	CU	CU
Battery operated / Suction mount	24487	24488	CU	CU
